BUSINESS CLUB 2019

For 2 green fees

- ✓ **Membership (the first year): 3'000 € HT**
- ✓ **Game fee (annual): 5'840 € HT**

CONDITIONS of OPERATION

The Lyon Golf Club offers two nominal green fees to the companies that have joined the "business club". Fees can be used ONCE per day, weekdays, weekends and holidays included. (1)

The company member of the "Business Club" communicates to the Lyon Golf Club the name of the person managing these green fees and how to join.

Names of guests (2) shall be communicated to the club secretariat, preferably in advance, or on the day of their arrival.

Guests are required to present themselves at the reception desk of the club to get access to their courses. It is mandatory to present the FFG license (available at the reception desk, if any).

Guests must comply with the rules and practices in force at the Lyon Golf Club, the club house and the course.
Furthermore competitions are not open for these guests.

(1) Except for the two persons designated under paragraph (2), guests will receive up to 10 invitations a year regardless of the inviting company that has joined the "business club" of the Lyon Golf Club.

(2) Among the guests, two persons can be mentioned by name to receive additional services from the club throughout the year: locker room access, caddy master card and portal access opening.

Moreover, by joining the Sports Association, these same two persons are also the only ones to participate in the sporting life of the club and all the competitions taking place at the Lyon Golf Club.
